Team Members:

Name and ID	Role/s	Strengths
Mac Arriero s3812132	Scrum Master & Full stack developer	<ul style="list-style-type: none">• Languages: Java and C++• Web: HTML, CSS and Javascript• Framework: Javalin
Jehan Perera s3720135	Full stack developer	<ul style="list-style-type: none">• Languages: Java and C++ (Need to brush up)• Web:HTML,CSS, Javascript (need to brush up)• Framwork:Springboot(Need to brush up)
Aditya Kerhalkar s3844647	Full stack developer	<ul style="list-style-type: none">• Languages: Java and some C++• Web: HTML and CSS• Git
Abdulrahman Ali s3763122	Lead Full stack Developer	<ul style="list-style-type: none">• Languages: Java, Python• Web: HTML,CSS,Javascript• Framework: Flask,Springboot(upskillling), React(upskilling)
Rohan Poorun s3843078	Full stack developer	<ul style="list-style-type: none">• Lanuages Java, C++ (Need to revise)• Git• Need to learn JS, HTML, CSS and JS React Framework
Dale Stanbrough (Tutor)	Product Owner	

Individual Expectation and Commitment for the group (Activity)

Name:	Expectation (from the team)	(Your) Commitment
Abdulrahman	<ul style="list-style-type: none"> • Everyone attending meetings. • Everyone doing their assigned work. • If you are stuck, call out, it will be solved. • Always come forward if you messed up, it could be solved! • Expect a prompt reply to issues so avoid delays. • Self-explaining code or comment! Please! • Comm-u-ni-cation, please!! 	<ul style="list-style-type: none"> • Produce clean, clear, and well-tested code for the application. • Stick to my deadlines as best as I can. • Help with code errors and bugs. • Always be there whenever, even if I am busy, for urgency, I will make time.
Jehan Perera	<ul style="list-style-type: none"> • Like basketball, help if anyone is stuck. • Delegated parts tackled with effort. • Communicate!!! 	<ul style="list-style-type: none"> • Attend all meetings • Help team mates as much as possible. • Learn anything I am not familiar with • Get my parts done as soon as possible.
Rohan Poorun	<ul style="list-style-type: none"> - All members attend meetings regularly and communicate effectively (calls are a good idea) - Members are friendly and helpful - Team members are willing to collaborate and be flexible with roles rather than just doing a specific role only - clear goals 	<ul style="list-style-type: none"> - Attending meetings regularly - Good communication - Willing to help whenever I can - Whilst may not be the most experienced at coding/developing, am very motivated to learn new skills. - Am happy to do more frequent calls to work on specific features with others outside

		regular meeting times or just to help out
Mac Arriero	<ul style="list-style-type: none"> • Group. Members attend meeting when required • Group members communicate to help team members and their own coding problems • Members try their best in producing their best work 	<ul style="list-style-type: none"> • Attempt to answer any questions team members may have • Comment and format code properly • Attempt to keep github clean from redundant or messy pushes • Attend meetings as required • Will try to be on Microsoft teams once per day
Aditya Kerhalkar	I hope people do the assigned work and attend meetings. I hope people feel committed to this project.	Always do the necessary work to the best of my ability. Make sure to check things over, including with the tutor. Work with the group.
